**YOUTH
WORSHIP
USING ZOOM**

Hey everyone! There is a free app called Zoom that you can download on your device (phone or iPad) that will allow you to meet with your Sunday School class each week. You can have visual and audio interaction just like you do on FaceTime with as many people as you like. It's really easy. Here are the steps:

1) Download "Zoom" App

2) When it's time to start meeting, open app and click "Join Meeting"

3) You will need 2 groups of numbers. One is the Meeting I.D., and the other is the password. - Weekly they'll be posted here on this document at the bottom. Just put them in and that's it! You will be in the meeting!
